

LYA's Robert Yates to be panellist at the 2012 **IIC Canada Annual Conference** on *Innovation, Investment and Infrastructure* – October 29, 2012

October 2, 2012 – The International Institute of Communications (IIC) Annual Conference is being held in Ottawa on October 29, 2012. This year's theme is Innovation, Investment and Infrastructure. LYA's Robert Yates will be participating on the panel "Broadcasting and telecommunications in the North" bringing perspectives on LYA's work in Canada's Territories and discussing key drivers and the approaches adopted in other countries that enable widespread development of digital economy infrastructure.

For more information, please contact us at lya@lya.com or 1-514-288-6555.
